Mr. Manley,
Newark, N.J.
Dear Mr. Manley,

Just a few lines, I am going out to
get one of the best club I ever had this year,
as we will be about the only club up
this way this year the way things look.
I wonder if there is any possible chance
of you having an open Sunday, or May,
at your park. I would like to have you
book us. I am sure we would be a good
attraction for you, also I would like

to square up that little loan you
let me have some time ago. I would
appreciate a reply from you on this as
soon as possible. I remain

Yours Truly
Harry Bozzi;
